OFFICE OF THE DIRECTOR

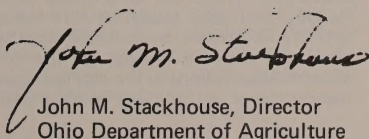

Dear Shorthorn Breeders:

Welcome Shorthorn Breeders to Ohio and the Ohio National Show and Sale.

You must be commended for the efforts put forth to collect this consignment of quality cattle. We Ohioans are proud to be a part of this Show and Sale; Shorthorn Breeders contributed much to both the economy of the State as well as each consumer. Only through the efforts of breeders can consumers continue to maintain high quality diets at reasonable prices.

The consignment of cattle at this Show and Sale reflect the outstanding contributions Shorthorn Breeders are making to Americans. On behalf of all Ohioans, I wish you visitors a most pleasant stay in Ohio.

Sincerely,

  
John M. Stackhouse, Director  
Ohio Department of Agriculture

**ELMS VILLA MARAUDER 2ND x - The Seal 10Z cattle have given us the consistency of type to bring our cow herd to where it stands today. We chose Marauder to work side by side with his sire to quickly effect the genetic improvement we desired. Now our female base is rich in these bloodlines so we offer 2/3 interest, full possession in him, not as a used bull, but as a proven improver. His outstanding show record culminated with All-American honors as a 2 yr. old. Equally significant is the show record of our Seal 10Z groups which were repeatedly chosen for their uniformity. Lot 47 is an example of a Marauder daughter.**

She possesses great length, size, balance, and that all-important eye appeal. Calfhood vaccinated and offered with breeding privileges. At buyers option, we would like to retain show rights.
